

QUALITY ASSURANCE POLICY STATEMENT

The policy of Southdowns Environmental Consultants Limited is based on the professional commitment of all members of staff to the provision of high quality services which meet or exceed the formal requirements of clients.

The supply of high quality services is maintained by ensuring that:

- Southdowns' consultancy services are based on best professional practice;
- the services provided meet the requirements of clients; and
- the Company Quality Policy is operated in accordance with BS EN ISO 9001.

The Management Representative for Quality is a delegated Company director responsible for the establishment, operation and on-going review of Southdowns' quality system. This system is formally reviewed on a regular basis in accordance with the Company's commitment to the continual improvement of all aspects of its services.

Signed on behalf of Southdowns Environmental Consultants Ltd
